

“AINET-Connect Stronger Networking for Stronger Association”

July 2019 - June 2020

Inviting expressions of interest from potential participants

AINET association of English teachers is looking for teacher-volunteers to work for AINET as media coordinators under AINET-Connect, a Hornby Trust- supported project. Teachers of English with knowledge and experience of social media are invited to express their interest in joining the project.

Who can join?

If you are

- a teacher of English
- collaborative, creative and willing to work in teams
- able to operate in social media (e.g. WhatsApp, YouTube, Facebook, Twitter, etc.)
- having basic ICT and networking skills

then we are looking for you!

What are you expected to do?

- Work with the AINET team to improve its media presence and reach
- Identify, design and implement social media activities for AINET
- Help AINET in developing mechanisms and practices for better social media management
- Help AINET in developing media policies and plans

Ideally you will need to invest not more than 4 hours per week in this work. In addition, you will also attend three workshops-cum-planning sessions (roughly around Aug-Sept, Dec-Jan and Jun-Jul) and a few online meetings.

How will AINET help you?

- AINET project team, will be with you at every stage of the project.
- AINET will cover the expenses of attending the meetings.
- AINET will provide training, technical support, essential materials and mentoring throughout the project.

What are the benefits?

- Free membership of AINET for the tenure of the project.
- Free registrations at all AINET academic events and discounts on AINET products during the project period.
- Certificates of project participation.
- Opportunity to connect with national and global ELT community.
- Chance to develop networking, technical and management skills.
- Chance to contribute to the development of fellow professionals.
- Chance to conduct research studies into aspects of the project and present them at various conferences.

What is timeline?

- | | |
